PERMIT NUMBER

 (Office use only)

APPLICATION FOR AN ON-SITE SEWAGE FACILITY

All information on this form is required. If the installer does not request a construction inspection by the permitting authority within one year of the issuance of the authorization to construct, the authorization to construct expires, and the owner will be required to submit a new application and application fee before an OSSF can be installed. All systems require a construction inspection before a License-to-Operate is issued.

Reason for Permit (check box):

- New Construction System Replacement System Repair/Modification Transfer of Ownership
